"TOP IN FORM" to start the new year!

On Sunday, 16 January 2022, at 2:30 pm, there will be a family afternoon at Porzellanikon - Staatliches Museum für Porzellan, Selb, with the motto "Top in Form". Young and old visitors can make the decisions of a designer together! The participants are given only a still unfired vase as a basic shape. With fancy tools like cogs, cutlery, strings, stamps or beads the surfaces get fine details. Beforehand, a pattern is designed with sketches and tests on plasticine, which is then embossed on the vase. Each object becomes an unmistakable souvenir. The programme also includes an experience tour of the permanent exhibition on porcelain production. The designed vases are fired in the museum and can be collected about two weeks later.

Family afternoons last about 2.5 hours and take place every third Sunday of the month with changing themes. They are suitable for children from the age of 6. The price is € 3.00 per person for materials. Adults pay an additional € 1.00 Sunday admission. Children up to 18 years are always free. The 2G plus rule applies. Corona quick tests are available at the museum box office for a fee of 4.50 €. Registration is required at besuchercenter@porzellanikon.org or by phone on +49 9287 918000. Further information is available at www.porzellanikon.org.
