HOLIDAY FUN AT THE MUSEUM

The summer holidays are just around the corner and with them free time for fun and games. How about a visit to Porzellanikon? The Porzellanikon - State Museum of Porcelain in Selb has lots to offer schoolchildren during the holidays. The team at the KREATIV-Fabrik has come up with many exciting educational programs that promise to put them in a good mood. Every Tuesday during the holidays there is something special on offer. It starts on August 3, 2021 with the summer program "Selblings on summer holiday". Here the children become filmmakers, because the little mascots of the Porzellanikon, the Selblings, are ready for their summer holiday. An animated film camera is in the luggage, which is used to shoot an episode of the Selbling story. Or how about creating yourself out of ceramic mass in mini format on August 10, 2021 under the motto "You in ceramics"? On August 17, 2021, the program "Top in Form" will be an imaginative way to decorate an unfired vase with various handicraft utensils and create an unmistakable souvenir. Wind chimes are designed on August 24, 2021. Little tinkerers will learn how to attach a handle to a cup in the program "No pot without a handle" on August 31, 2021. All summer holiday programs start at 10.00 a.m. and last about 2.5 hours. The cost of materials is 3.00 euros for each program. Due to Corona regulations, registration is necessary. Please register at besuchercenter@porzellanikon.org or call +49 9287/91800-0. Further information on all current programs and events at www.porzellanikon.org. The Porzellanikon is open Tuesdays to Sundays and on public holidays from 10 am to 5 pm. Children and young people up to 18 years of age are admitted free of charge.
