„CINEMA SUMMER“ WITH RADIO EUROHERZ

A week full of action, love and drama: that's what this year's „Cinema summer“ with Radio Euroherz promises. In cooperation with the radio station, the Porzellanikon - State Museum of Porcelain is organising the multi-day cinema event in Selb from August 3 to August 9, 2021. On the fairground in front of the museum in Selb, a colourful mix of blockbusters, film classics and family films will flicker across the XXL screen.

The classic "Pretty Woman" will kick things off on Tuesday, followed by "Inception" with Leonardo DiCaprio on Wednesday. "Knives Out" is the name of the game on Thursday. As a fitting start to a relaxed weekend, Elyas M'Barek will elicit a smile from some in "Nightlife". Udo Lindenberg's childhood, youth and career start are shown in the film "Lindenberg" on Saturday. Sunday is dedicated to the thriller "Leberkäsjunkie". The finale on Monday is "Jim Knopf und die Wilde 13", a film for the whole family.

The cinema evenings always start at 7 pm with a small entertainment and information programme and the opportunity to eat and drink. The films start at dusk. A maximum of 500 visitors can attend each evening. The principle of "first come, first serve" applies. When moving around on the premises, it is compulsory to wear an FFP2 mask. It may be removed when seated. Admission to the „Cinema Summer“ in Selb at the Porzellanikon is covered by the sponsors.
