SUNDAY IS FAMILY AFTERNOON AT THE PORZELLANIKON

Children, parents and grandparents can do something creative together as a family and learn lots of interesting things at the family afternoon on Sunday, 19 September 2021 at Porzellanikon - Staatliches Museum für Porzellan Selb. It starts at 2:30 p.m. under the motto "We paint the summer (r)aus". It starts with an exciting adventure tour through the permanent exhibition on porcelain production, during which the museum team vividly explains how porcelain tableware is created - from the preparation of the mass to the construction of plaster moulds to white production and decoration. Then it's on to the workshop: Paints and brushes are ready for creative colour explosions, which the young and old visitors can paint on porcelain pieces they have chosen themselves and thus create their first autumn pictures.

Family afternoons last about 2.5 hours and take place every third Sunday of the month with changing themes. The price per person is € 3.00 material costs. Adults pay an additional € 1.00 Sunday admission. Registration is necessary at besuchercenter@porzellanikon.org or by phone +49 9287 918000. Further information at www.porzellanikon.org.
