EXPERT DAY AT PORZELLANIKON - NOT ONLY FOR COLLECTORS

Attention porcelain enthusiasts and porcelain collectors: On Thursday, November 11, 2021, the legendary expert day will take place for the last time this year at Porzellanikon - State Museum for Porcelain, Hohenberg a.d. Eger! Visitors from near and far can bring up to three porcelain objects each to the expert day. From 10:00 a.m. to 5:00 p.m., chief curator Petra Werner and curator Thomas Miltschus, Porzellanikon's porcelain experts, will be on hand to share their expertise on porcelain from Germany and all the renowned European manufactories. In an entertaining way, they tell everything there is to say about the heirlooms or favourite pieces, curiosities or collectors' items that have been brought along. After just a few moments, the owners will find out whether their porcelain is a true treasure or a lovable piece of junk.

To shorten possible waiting times, a tour of the special exhibition "FORMVOLLENDET - Keramikdesign von Hans-Wilhelm Seitz", which can be seen until 9 January 2022, is a good idea. The show features tableware for every day, such as the successful "Daily", "Carat" or "Cucina" shapes - to name just a few of the artist's numerous design classics.

The expert day costs 3.00 euros per person (museum admission). A registration is to be made under besuchercenter@porzellanikon.org or Tel. 09287-91800-0. Further information is available at www.porzellanikon.org. The 3G rule applies.
