## Press release

### To "Selbling-City" during the Whitsun vacations

Under the motto "Selbling-City", the Porzellanikon - State Museum of Porcelain, Selb is offering a creative vacation program for schoolchildren aged 6 and over. On Tuesday, June 7, 2022, from 10:00 a.m. to 12:30 p.m., schoolchildren can be master builders and build a new hometown out of Lego bricks for Porzellanikon's mascots, the Selblings. Vacation children will find inspiration for city planning during a tour of the special exhibition "More than Bricks! Tradition and Future of Architectural Ceramics," which can be seen at the museum in Selb until October 3, 2022. An exciting task for all who enjoy building or in whom perhaps a little architect is already slumbering.

The price is 3.00 euros for materials. Registration is required at [besuchercenter@porzellanikon.org](mailto:besuchercenter@porzellanikon.org) or by phone on +49 9287-918000.
