### Enchanting nature at Porzellanikon

Interested holiday children can be really creative once again on Thursday, 8 September 2022: Under the motto "Enchanting Nature", the last summer holiday programme of this year will take place from 10 a.m. to 12 p.m. at Porzellanikon - State Museum of Porcelain, 95691 Hohenberg a.d. Eger, Schirndinger Straße 48. The programme starts with a tour of the current special exhibition "UNIKATE erzählen. Artistic Meissen 1970 - 2010". On the tour, the young participants will learn how artists, inspired by trees, flowers, leaves or grasses, create their works of art from porcelain. What is an artist and what is a work of art? These and other questions will be explored together with the museum team before everyone becomes an artist themselves by creating unique pieces.

The programme is suitable for schoolchildren aged 6 and over. Admission for children up to 18 years is always free. The cost of materials is 3.00 euros. Registration is required at [besuchercenter@porzellanikon.org](mailto:besuchercenter@porzellanikon.org) or by phone at +49 9287-918000.
