"Spot on! - Unique Meissen" torch tour for adults at Porzellanikon Hohenberg a.d. Eger

Anyone who has always wanted to experience a museum atmosphere at night has the opportunity to take part in an exclusive flashlight tour at the Porzellanikon - State Museum of Porcelain, Hohenberg a.d. Eger, on Tuesday 25 October 2022. Under the title "Spot on! - Unique Meissen", curator Maren Pilger will take interested visitors on a guided tour of the special exhibition "UNIKATE erzählen. Artistic Meissen 1970 - 2010". The unique Meissen pieces in the HGM collection, unique in their kind and scope, will be illuminated and staged with the torch. The unique art that emerged from the 1970s onwards ushered in a new era at the Porzellan-Manufaktur Meissen. The extraordinary objects - humorous, whimsical, experimental, multi-faceted and colourful - which the Porzellanikon received from a North German collector couple have exciting stories to tell, many of which have never before reached the public. The exhibition is on view until 8 January 2023.

Price: Museum admission plus 3.50 euros for the guided tour. Please register at besuchercenter@porzellanikon.org or call +49 9287-918000.
