OFFERS FROM THE CREATIVE FACTORY OF THE PORZELLANIKON FOR SCHOOL CHILDREN

Autumn holiday programme: Lanterns

Wednesday, 02 November 2022, Porzellanikon Selb

On the terrace or on the balcony - lanterns spread a romantic atmosphere at any time of year. The autumn holiday programme offers schoolchildren aged 6 and over the opportunity to make their own individual porcelain lanterns. The programme starts with a workshop at the KREATIV-Fabrik: Here, holiday children can be creative and use various tools to carve any pattern or figure into prefabricated cups made of still-soft porcelain mass. Then it's off on an adventure tour of porcelain production. The lanterns can be collected from Porzellanikon in Selb about 2 weeks after the firing.

Autumn holiday programme: Animal safari

Thursday, 03 November 2022, Porzellanikon Hohenberg a.d. Eger

Going on a safari and discovering wild animals - that's what many children want! At Porzellanikon Hohenberg a.d. Eger, this wish comes true. Schoolchildren from the age of 6 - equipped as brave explorers - explore the museum rooms with the museum team and meet elephants, tigers, wolves, ice bears, colourful parrots and many other animals that cross their path. Even the shy deer cannot escape the gaze of the little participants. But sometimes it is not so easy to spot the colourfully camouflaged animals right away. After the safari, there will be a workshop where each holiday child can create their own animal out of porcelain and take it home.

The holiday programmes start at 10:00 a.m. at both locations and last about 2 hours. The cost of materials is 3.00 euros.
