## **Winter holiday programme: Making winter decorations**

Wednesday, 22 February 2023, 10:00 to 12:00, Porzellanikon Selb

For schoolchildren who are spending their winter holidays at home, Porzellanikon - Staatliches Museum für Porzellan, Selb is offering a creative winter holiday programme. Under the motto "Making winter decorations", holiday children aged 6 and over will meet on Wednesday, 22 February 2023, from 10:00 to 12:00 and make their own winter decorations together with the museum team. Wind chimes with winter motifs, for example, are easy to create using napkin techniques and colourful paint.

On a short tour through the permanent exhibition on porcelain production, the young participants will learn how laborious and time-consuming it was to make porcelain.

Price: 3.00 euros for materials. Please register at [besuchercenter@porzellanikon.org](mailto:besuchercenter@porzellanikon.org) or call +49 9287-918000.
