### "TOP IN FORM" ON FAMILY AFTERNOON!

On Sunday, 18.10.2020, at 14:30 hrs, there will be a family afternoon with the theme "Top in Form" at Porzellanikon - State Museum for Porcelain, Selb. Young and old visitors alike can make the decisions of a designer! The participants are only given an unfired vase as a basic shape. Unusual aids such as gears, cutlery, cords, stamps or beads help to add fine details to the surface. With sketches and tests on modelling clay a pattern can be created which is then embossed onto the vase. Each object thus becomes an unmistakable souvenir. The programme includes a guided tour of the permanent exhibition on porcelain production. The designed vases are fired in the museum and can be picked up about two weeks later. The family afternoons last 2.5 hours and take place every third Sunday of the month. The cost of materials is 3.00 euros per participant; adults pay an additional 1.00 euro for Sunday admission. For children the entrance is free. Due to Corona restrictions, registration is absolutely necessary and can be made at [besuchercenter@porzellanikon.org](mailto:besuchercenter@porzellanikon.org) or by phone on 09287/91800-0.
